Nan Klein – Colored Pencil

Nan began her training at the School of Art Institute of Chicago. She has continued to study with major artist in the Chicago area. Nan has been doing colored pencil for 22 years and has been teaching for the last 10 years. She teaches three techniques in her classes, layering, burnishing, and the use of solvent. Nan has different classes at the Life Long Learning College starting with Back to Basics, Portrait Painting, Landscapes, and Florals. She also conducts a workshop each month at Laurel Manor Recreation Center on the 1st and 3rd Monday of the month from 9:00am to 12:pm. Colored pencil artists of all levels are happy to show you their works in progress and explain the techniques that they are using.

Carol Hickman – Watercolor

Carol teaches the basics of watercolor and specializes in flower painting. She has been painting for 30 years and has an Associates Degree in art from Virginia Commonwealth University in Richmond, Virginia, where she also taught art for 20 years before moving to The Villages. Her watercolor flowers have won many awards.

Carol's hands on teaching method will show you how to work with watercolor using washes, strokes and contrast to achieve a lifelike painting. You will learn five simple strategies for painting dramatic watercolors, composition, value, contrast and color. You may contact Carol at (352) 259-4084 or email her at artlady45@embarqmail.com
