Volunteer now to either chair or assist in whatever way you can, to keep all these opportunities open to all the members. Your help is needed. You will build great friendships by volunteering to serve on committees. Not sure how you can help – just ask any of the officers or committee chairpersons and they will be happy to explain how you can help. Call any of the officers or Chairpersons to find out how YOU can HELP.

See the web page “Volunteer Opportunities” for a list of all the wonderful volunteer opportunities. You are a very important part of the club and it runs because of YOU! (*Active members are members who have paid current dues and volunteer in activities.)
