- Art must be created during the two-month period aligning with the assigned theme and submitted by the last day of the challenge. Eligible art can be either 2D or 3D.
- Art may be submitted to other contests, shows or venues...no restrictions.
- Work must be original. Reproductions of other artists' work, composition, published photos, or prints of any kind are not acceptable.
- No religious, political themes or nudes will be accepted.
- *Dues for the fiscal year (Sept 1 through Aug 31) must be paid in order to participate.*

The purpose of the Online Art Challenge is to encourage creation of **new** art on a consistent basis and to showcase those creations.

- Entry must be submitted to the Art Challenge Chair at mayotte22@gmail.com by the last day of the Challenge period, along with title and medium used.
- A document showing each entry without identification (other than being numbered), along with title and media utilized, will be published to members for voting purposes.
- All votes for Challenge entries must be submitted by the 15th of the month following the close of the Challenge.
- Votes will be tallied to determine first, second and third place winners, announced to members, and pictures of their art published in the VAA Newsletter as Banner Art. Ribbons will be awarded to winners.
- All entries with identification (name, title, medium) will then be posted on the VAA Website following announcement of winners.
