

VAA Online Art Challenge Rules

- Each artist may enter a jpeg image of one piece of artwork per month (*no matting or framing* – send only a good resolution picture of your art up close). Signature should be obscured.
- Art must be created during the month (s) aligning with the assigned theme and submitted by the last day of the challenge month. Eligible art can be either 2D or 3D.
- Work must be original. Reproductions of other artists' work, composition, published photos, or prints of any kind are not acceptable.
- No religious, political themes or nudes will be accepted.
- Dues for the fiscal year (Sept 1 through Aug 31) must be paid in order to participate.

The purpose of the Online Art Challenge is to encourage creation of **new** art on a consistent basis and to showcase those creations.

- Entry must be submitted to the Art Challenge Chair at vaanews@yahoo.com by the last day of the Challenge month, along with title and medium used.
- A document showing each entry without identification (other than being numbered), along with title and media utilized, will be published to members for voting purposes.
- All votes for Challenge month entries must be submitted by the 15th of the following month.
- Votes will be tallied to determine first, second and third place winners, announced to members, and pictures of their art published in the next VAA Newsletter as Banner Art. Ribbons will be awarded to winners.
- All entries with identification (name, title, medium) will then be posted on the VAA Website each month following announcement of winners.
